## WHAT IS EL

The European State Lotteries and Toto Association (European Lotteries or "EL") is the umbrella association of state owned and state controlled lottery operators in the European area. EL provides its Members with a platform wfor the exchange of best practices and education as well as advocates the interests of its Members to relevant (EU) stakeholders. The association has Regular Members (Lotteries) and Associate Members (Suppliers).

EL is governed by an Executive Committee (11 Members) wand is managed by a Secretary General. EL has an office in Lausanne (CH) and an office in Brussels (BE). The association operates under Swiss law.

## WHAT IS AN EL REGULAR MEMBER

**An EL Regular Member must conduct games of chance and/or skill such as Lotto, Toto, class lotteries, classic lotteries, sports betting, sports lotteries, instant games, and lotteries generally based upon a state issued lottery licence in a Members State of the Council of Europe. An EL Member must assure that its lottery-type games form the substantial part of the organisation's total gross revenue and that its net revenues for a substantial part are dedicated, by public decision, to good causes and/or the State exchequer. It is essential that Regular Members live up to the aims and values of EL. Regular Members have full voting rights in the association and are allowed to participate fully in all activities of the association.**
