

Sports Betting Seminar

November 1–3, 2023
Paris, France

BROCHURE

Sports betting is one of the fastest growing game verticals in the lottery sector. Many EL and WLA Members have close ties with their National Olympic Committees and a large number of sports associations, proving once more the importance of sport, be it at professional or grassroots level. We should not forget how sport as such is a binding factor in our society, just think of the millions that enjoy a football match or a cycling stage in the Tour de France.

Offering sports betting in a competitive market demands lotteries to be ahead of the developments and play the game in the smartest way possible. Safeguarding sports integrity and having responsible offerings are as important.

Right ahead of the upcoming 2024 Olympic Games, the EL/WLA Sports Betting Seminar will take place in Paris on 1–3 November with the experience of attending the Rolex Paris Masters ATP 1000 tennis tournament.

This edition of the Sport seminar is not to be missed, register quickly to secure your place!
