AI SEMINAR

May 13 – 15, 2024 | Warsaw, Poland

Event hosted by

TOTALIZATOR
SPORTOWY

Just before the summer of 2023 EL organized together with Totalizator Sportowy a very well attended webinar on the developments of AI in the lottery sector. A follow up seminar on this hot topic was already announced. And now you can join us at the upcoming EL AI Seminar in Warsaw on May 13 - 15! Dive into the future of the lottery industry and explore the transformative potential of AI.

This seminar is a unique opportunity to delve into AI's potential in reshaping the landscape of lotteries across Europe. Through insightful presentations and interactive discussions, we'll uncover AI's role in enhancing player experiences, optimizing operations, and driving innovation. With experts from the lottery and tech sectors, this informative event will foster meaningful exchanges and unveil strategies to leverage AI effectively. Aside of interesting presentations, a hands-on workshop will be organized to help you further understand the AI potential.

Don't miss out on this enriching experience – join us in Warsaw to learn, connect, and shape the future of lotteries with AI.

WHO SHOULD ATTEND?

All interested lottery professionals, especially those working in the department for innovation, online gaming, marketing, communication, security, risk and general management.
