## Let's create positive social impact together!

Monday 17 June | 11:00 – 12:30 CET | Salzburg Congress

Ahead of the official Industry Days programme, participants will have the opportunity to create positive social impact together during a dedicated interactive workshop. **The aim is to contribute valuable insights into a CEO Panel debate scheduled for the following day.**

**Open to all participants**, the workshop adopts the World Café format, bringing together participants across several café like tables. Engage, share and learn, as we collectively address important topics such as sustainability; sports; diversity, equity and inclusion (DEI); funding for good causes; responsible gaming; innovation; marketing, stakeholder engagement, and more.

### Why attend? What to expect:

- Engage in interactive discussions in an open and collaborative environment;
- Explore key themes and topics, relevant for creating positive social impact;
- Showcase best practices and co-create innovative solutions, and;
- Receive practical feedback and identify next steps.
- Contribute to visual representation of group findings.

### Key takeaways: By the end of the workshop, you will:

- Provide valuable insights into the CEO Panel debate, scheduled during the official Industry Days programme;
- Gain fresh perspectives on fostering positive social impact & extending its reach, and;
- Understand the significance of EL's Strategy and its importance for the Association and EL members.

We look forward to your participation in this impactful workshop. Let's create positive impact together!
