

NEWS RELEASE

IGT EXTENDS CONTRACT TO PROVIDE INSTANT TICKET PRINTING SERVICES TO THE IDAHO LOTTERY

LONDON, U.K. – Jan. 4, 2017 – International Game Technology PLC (NYSE:IGT) announced that its subsidiary, IGT Global Solutions Corporation (with International Game Technology PLC, hereinafter “IGT”), has extended its multi-year contract with the Idaho Lottery (“Idaho Lottery” or “Lottery”) to continue providing Scratch Games™ printing services through March 2019. This is the second, two-year extension that has been exercised on the existing contract and was unanimously approved by the Idaho Lottery Commission during their regular meeting on November 17, 2016. In addition to providing Scratch Games™ printing services to the Idaho Lottery, IGT will continue to support the Lottery with related products and services including game planning, ticket design, marketing support, and analytics.

IGT currently provides over 70 percent of printing for the Idaho Lottery’s Scratch Games™, resulting in responsible, incremental sales growth year after year. Together, IGT and the Idaho Lottery have worked closely to deliver a portfolio of games with fun, new play styles to benefit the people of Idaho. In 2016, the Idaho Lottery broke records, returning \$49.5 million to Idaho public schools and the Permanent Building Fund, a 10 percent increase from 2015.

“The Idaho Lottery has a positive and productive relationship with IGT for the development and delivery of Idaho Scratch Games. We are pleased to continue this partnership,” said **Jeff Anderson, Idaho Lottery Director**. *“IGT’s lottery industry expertise and leadership, along with their ability to develop new and innovative products, has helped us deliver a portfolio that produces an appealing mix of games for our players and benefits for the people of Idaho.”*

“IGT values the opportunity to continue collaborating with the Idaho Lottery,” said **Michael Chambrello, IGT Chief Executive Officer, North America Lottery**. *“Together we will work to deliver pioneering games and solutions to Idaho Lottery players which drive sales and maximize funds generated for Idaho’s good causes.”*

About IGT

IGT (NYSE:IGT) is the global leader in gaming. We enable players to experience their favorite games across all channels and regulated segments, from Gaming Machines and

Lotteries to Interactive and Social Gaming. Leveraging a wealth of premium content, substantial investment in innovation, in-depth customer intelligence, operational expertise and leading-edge technology, our gaming solutions anticipate the demands of consumers wherever they decide to play. IGT has over 12,000 employees. For more information, please visit www.IGT.com.

Cautionary Statement Regarding Forward-Looking Statements

This news release may contain forward-looking statements (including within the meaning of the Private Securities Litigation Reform Act of 1995) concerning International Game Technology PLC and other matters. These statements may discuss goals, intentions and expectations as to future plans, trends, events, dividends, results of operations or financial condition, or otherwise, based on current beliefs of the management of International Game Technology PLC as well as assumptions made by, and information currently available to, such management. Forward-looking statements may be accompanied by words such as "aim," "anticipate," "believe," "plan," "could," "would," "should," "shall," "continue," "estimate," "expect," "forecast," "future," "guidance," "intend," "may," "will," "possible," "potential," "predict," "project" or the negative or other variations of them. These forward-looking statements are subject to various risks and uncertainties, many of which are outside International Game Technology PLC's control. Should one or more of these risks or uncertainties materialize, or should any of the underlying assumptions prove incorrect, actual results may differ materially from those predicted in the forward-looking statements and from past results, performance or achievements. Therefore, you should not place undue reliance on the forward-looking statements. Factors that could cause actual results to differ materially from those in the forward-looking statements include (but are not limited to) the possibility that the businesses of International Game Technology (Nevada) and GTECH S.p.A. will not be integrated successfully, or that the combined companies will not realize estimated cost savings, synergies, growth or other anticipated benefits or that such benefits may take longer to realize than expected; unanticipated costs of integration of International Game Technology (Nevada) and GTECH S.p.A.; the possibility that International Game Technology PLC will be unable to pay future dividends to shareholders or that the amount of such dividends may be less than anticipated; the possibility that International Game Technology PLC may not obtain its anticipated financial results in one or more future periods; reductions in customer spending; a slowdown in customer payments and changes in customer demand for products and services as a result of changing economic conditions or otherwise; unanticipated changes relating to competitive factors in the industries in which International Game Technology PLC operates; International Game Technology PLC's ability to hire and retain key personnel; the impact of the consummation of the business combination on relationships with third parties, including customers, employees and competitors; International Game Technology PLC's ability to attract new customers and retain existing customers in the manner anticipated; reliance on and integration of information technology systems; changes in legislation or governmental regulations affecting International Game Technology PLC, including as a

consequence of the announced withdrawal of the U.K. from the EU; international, national or local economic, social or political conditions that could adversely affect International Game Technology PLC or its customers; conditions in the credit markets; changes in the top management team; risks associated with assumptions International Game Technology PLC makes in connection with its critical accounting estimates; the resolution of pending and potential future legal, regulatory or tax proceedings and investigations; and International Game Technology PLC's international operations, which are subject to the risks of currency fluctuations and foreign exchange controls. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties that affect International Game Technology PLC's business, including those described in International Game Technology PLC's annual report on Form 20-F for the financial year ended December 31, 2015 and other documents filed from time to time with the Securities and Exchange Commission (the "SEC"), which are available on the SEC website at www.sec.gov and on the investor relations section of International Game Technology PLC's website at www.IGT.com. Except as required under applicable law, International Game Technology PLC does not assume any obligation to update the forward-looking statements. Nothing in this news release is intended, or is to be construed, as a profit forecast or to be interpreted to mean that earnings per International Game Technology PLC share for the current or any future financial years will necessarily match or exceed the historical published earnings per International Game Technology PLC share, as applicable. All forward-looking statements contained in this news release are qualified in their entirety by this cautionary statement. All subsequent written or oral forward-looking statements attributable to International Game Technology PLC, or persons acting on its behalf, are expressly qualified in their entirety by this cautionary statement.
