

NEWS RELEASE

IGT Casino Management Systems with Cardless Connect, Mobile Applications and Gaming Machines Selected for Resorts World Catskills

LONDON, U.K. – Oct. 11, 2017 – International Game Technology PLC (“IGT”) (NYSE: IGT) today announced that it has reached an agreement with Montreign Operating Company, LLC to feature IGT casino management systems, games and solutions at Resorts World Catskills, slated to be open in early 2018.

Following an extensive evaluation process, IGT was selected to provide Resorts World Catskills with IGT Advantage[®] systems, the leading floor share of electronic gaming machines, and IGT Cardless Connect[™] technology, which will enable loyalty program access and cashless transfer of funds through players’ mobile devices.

“In partnering with IGT, we are able to provide our customers with unique gaming technology and features that will differentiate Resorts World Catskills from the competition,” said **Ryan Eller, Montreign Operating Company President & CEO.** *“Leveraging IGT’s innovative products will help us to exceed our patrons’ expectations, providing them with new and exciting experiences while driving loyalty to our brand.”*

“We wish to thank Resorts World Catskills for sharing IGT’s commitment to innovation. From our casino management systems and mobile technologies to the leading floor share of IGT games, we’re bringing some of the best solutions from across our portfolio to Resorts World Catskills,” said **Nick Khin, IGT Chief Commercial Officer, Gaming.** *“We expect Resorts World Catskills to deliver a world-class entertainment experience that can set a new standard of excellence for casino operations and player engagement.”*

In addition to selecting IGT Advantage casino management systems for its patron interaction capabilities through Media Manager and Service Window solutions, Resorts World Catskills will leverage Floor Manager, Media Manager and a full suite of unique bonusing applications including Table Hot Seat, Return Play[®], Point Play[®], Xtra Credit[®] and Carded Lucky Coin[™]. To increase service capabilities and reduce downtime, Resorts World Catskills will implement IGT mobile systems solutions Mobile Notifier, Mobile Dashboard, and Mobile Comps.

Among the vast selection of IGT games chosen by Resorts World Catskills, players will experience some of the latest hardware and content innovation. IGT cabinets include the CrystalCurve™ ULTRA, CrystalCurve™ and CrystalCurve™ TRUE 4D™, in addition to the CrystalDual™ + Stepper, S3000XL™ and MEGATOWER™. These cabinets will demonstrate content ranging from IGT's Proven Performers in core video, to industry-leading stepper and premium licensed content and the Company's heralded SPHINX™ 4D game.

As a leading innovator in casino management systems, IGT offers a wide range of systems solutions to meet the needs of any-sized operation. [IGT Advantage](#), [Casinolink®](#), [GALAXIS™](#) and [SYSTEM2go™](#) empower server-based solutions such as Floor Manager and Media Manager to engage players and enable more efficient casino operations. [Bonusing and applications](#), [progressive jackpot solutions](#), [ticketing products](#) and the dynamic [Tournament Manager](#) application drive game play by enhancing player experiences and incentives.

Cautionary Statement Regarding Forward-Looking Statements

This news release may contain forward-looking statements (including within the meaning of the Private Securities Litigation Reform Act of 1995) concerning International Game Technology PLC and its consolidated subsidiaries (the "Company") and other matters. These statements may discuss goals, intentions, and expectations as to future plans, trends, events, dividends, results of operations, or financial condition, or otherwise, based on current beliefs of the management of the Company as well as assumptions made by, and information currently available to, such management. Forward-looking statements may be accompanied by words such as "aim," "anticipate," "believe," "plan," "could," "would," "should," "shall," "continue," "estimate," "expect," "forecast," "future," "guidance," "intend," "may," "will," "possible," "potential," "predict," "project" or the negative or other variations of them. These forward-looking statements speak only as of the date on which such statements are made and are subject to various risks and uncertainties, many of

which are outside the Company's control. Should one or more of these risks or uncertainties materialize, or should any of the underlying assumptions prove incorrect, actual results may differ materially from those predicted in the forward-looking statements and from past results, performance, or achievements. Therefore, you should not place undue reliance on such statements. Factors that could cause actual results to differ materially from those in the forward-looking statements include (but are not limited to) the factors and risks described in the Company's annual report on Form 20-F for the financial year ended December 31, 2016 and other documents filed from time to time with the SEC, which are available on the SEC's website at www.sec.gov and on the investor relations section of the Company's website at www.IGT.com. Except as required under applicable law, the Company does not assume any obligation to update these forward-looking statements. You should carefully consider these factors and other risks and uncertainties that affect the Company's business. Nothing in this news release is intended, or is to be construed, as a profit forecast or to be interpreted to mean that the financial performance of International Game Technology PLC for the current or any future financial years will necessarily match or exceed the historical published financial performance of International Game Technology PLC, as applicable. All forward-looking statements contained in this news release are qualified in their entirety by this cautionary statement. All subsequent written or oral forward-looking statements attributable to International Game Technology PLC, or persons acting on its behalf, are expressly qualified in its entirety by this cautionary statement.

About Resorts World Catskills

Beautifully situated in the pristine Catskills, Resorts World Casino is part of a \$1.2 billion four-season destination resort being developed in the Town of Thompson in Sullivan County, approximately 90 miles from New York City. Resorts World Catskills branded resort casino will include an 18-story casino, hotel and entertainment complex with approximately 100,000 square feet of casino floor, over 130 table games, 2,150 state of the art slot machines, a poker room and private gaming salons. Guest amenities will include 332 all-suite luxury rooms, which include 12 penthouse suites, 8 garden suites and 7 two-story villas, two indoor pools, a spa and fitness center — all designed to meet 5-star and 5-diamond standards. Guests will be able to choose from over 10 varied bar and restaurant experiences, including fine dining, and an Italian steakhouse created by celebrity chef Scott Conant. Guest can also enjoy year-round live entertainment at the over 2,000-seat event center, casino bars, restaurants and lounges.

Expected to open in March 2018, the destination resort in which Resorts World Catskills is located, will also include an entertainment village providing additional entertainment,

food and accommodations, and a Rees Jones-redesigned golf course. In addition, the destination resort will include an indoor waterpark lodge.
