GLMS Members elect new Executive Committee. Ludovico Calvi (Lottomatica) re-appointed President

Antwerp, 28 May 2019: GLMS Lottery-Members elected today their new Executive Committee for the 2019-2021 term during the Association’s General Assembly on 28 May 2019 in Antwerp. Ludovico Calvi (Lottomatica) has been re-appointed President of the Association.

Ludovico Calvi stated "I am extremely honoured to have been appointed as the President of the Association for yet another term. I am proud of GLMS many achievements of the last term and I am privileged to carry on the mission of growing GLMS network worldwide and disseminating its core values while guaranteeing continuity and strengthening the association. I strongly believe that protecting Sport Ethics means safeguarding the passion and integrity of our children and therefore the future of our society. I am fully convinced that GLMS represents a tremendous vehicle not only for our network and its members but also for all other key interested stakeholders, our communities, and our society as a whole. I personally thank all individual and collective members and all my colleagues for the renewed trust, leading to this second mandate. I assure all our members, public, private stakeholders and partners, that I will continue with the same energy, passion and dedication to make my best efforts for the global success of GLMS”

About GLMS

GLMS is the state lotteries’ mutualized monitoring system on sports betting. It aims at detecting and analyzing suspicious betting activities that could question the integrity of a sport competition. Building on six years of experience with the establishment in 2009 of ELMS with European Lotteries, GLMS went global in January 2015 extending the network to other continents. GLMS facilitates the sharing of sports betting information as part of the collective efforts of its members in ensuring sports integrity globally, and is dedicated to effective cooperation with all key stakeholders: regulators, law enforcement authorities, sports organizations.

GLMS has 2 associate Members: Scientific Games International (SGI), INTRALOT
